SUMMER AVAILABILITY FOR LOCATION FILMING

DISCOUNTED RATES FOR A LIMITED TIME ONLY!

The historic Elgin and Winter Garden Theatre Centre – a National Historic Site and the last operating double-decker vaudeville era theatre in the world – has selected periods of time available for summer location filming. AND we're offering **a special discount of 20% off our regular rental rates** during portions of June, July and August.

The Centre offers a variety of distinctive and unique location spaces including: marble columned and mirrored lobbies, bar and reception areas, hand operated elevators, open cascading lobbies and a spectacular soaring grand staircase.
