

TALKBACK ONLINE FORUM

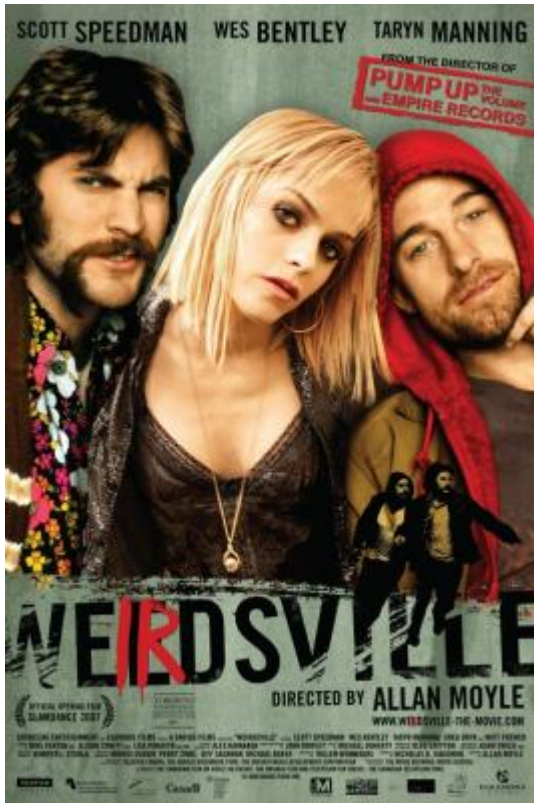

Meet the Filmmakers & Stars of WEIRDSVILLE
Cool prizes to be won!

First Weekend Club is excited to bring you and the filmmakers of WEIRDSVILLE to a special online forum.

We had such a great time with the writer, director and producer of WEIRDSVILLE in Toronto for our Talkback on opening weekend, that we decided to invite them back for an online discussion so film fans and inspiring filmmakers across the country can benefit from what these very talented people have to say about making their film and about the journey's of their careers. So get inspired and get those creative juices flowing for an online VIP-style filmmaking forum!

~ Contest Trivia Question

If you haven't seen the film yet and want to, here's your chance to win a complimentary ticket. We will randomly draw names **every night this week at 5:00 PM ET** selecting winners and sending them to see WEIRDSVILLE. To win these tickets, all you have to do is answer the following trivia question and send us your reply to weirdsville@firstweekendclub.ca with "**WEIRDSVILLE**" in the subject line. Be sure to let us know what city you live in so we give you tickets to the right theatre.

About WEIRDSVILLE

This fun-paced, hilarious, ace-deck of a film brings you into the world of three loveable hooligans (Scott Speedman, Wes Bentley and Tarryn Manning) who find themselves knee-deep up the creek when a drug deal goes awry. Untangling themselves whilst getting into even stickier situations, their midnight marauding will have you laughing out loud so hard you'll cry. (As if smoke got in your eyes)
