

The CinequipWhite February Freeze is on for 2006

Please join us at our location, **1040 Islington Avenue, Tuesday February 7th, between the hours of 2pm- 10pm** for a tradeshow event showcasing CinequipWhite's most popular suppliers. This is a great opportunity to meet and ask questions, as well as find out what's new & exciting from the top innovators in the Entertainment industry.

The Panasonic Theatre P2 is back in the spotlight, as well as the Panasonic HVX 200. JVC will be showing the HD-100 HDV camera and Avid will also be making an appearance offering advice and editing solutions.

New this year is the Moving light and Projection Theatre, showcasing Vari*Lite, Christie Projection and High End. For your entertainment, centre stage, we feature the vocal styling of Michael White and Animal House- the Q107 house band.

Once again we will be holding the ever popular CSC CICA Flea market. This is a great opportunity to move out of some of your gently used equipment, or pick up a gem at a fabulous price. There are still a few tables available- the cost is \$ 50.00 a table - so please call for information.

There will be food and drink, so bring a friend and come on down for a spectacular evening, sure to beat the February blahs.
