

## A message from the Festival de cinéma des 3 Amériques

Submissions are now open for the 7<sup>th</sup> edition of the Festival de cinéma des 3 Amériques which will be taking place in beautiful Quebec city, from March 29<sup>th</sup> to April 2<sup>nd</sup> 2006.

As programmers of the Festival de cinéma des 3 Amériques, we are now looking at new features, shorts and documentaries, from all over the American continents and would be thrilled to consider your work for possible inclusion in next year's edition.

A unique international **competitive** cinematographical event, Le Festival de cinéma des 3 Amériques is a festival entirely and exclusively dedicated to the discovery, the showcase and the promotion of cinema from all over the Americas or with an American thematic. First and foremost, we wish to offer to film buffs, as well as industry professionals and the movie-going public at large a chance to discover and celebrate some of the big screen's best, most original and innovative filmmakers, video artists and multimedia creators from all three Americas, from Tierra del Fuego to Alaska.

Deadline for submissions is December 3<sup>rd</sup> 2005 and there is no entry fee. VHS (ntsc-pal) or DVD (all regions) are accepted as prescreening copies, but prints and video copies for the actual festival presentations must be available in 35mm or Betacam SP (ntsc). French or English subtitles are required for films in other languages.
