## INTERNATIONAL FINANCING FORUM

*Because international financing partners are critical to funding today's independent feature films.*

**Presented on September 8, 2006 at the Toronto International Film Festival's Match Club in partnership with UK Trade and Investment.**

**APPLICATION DEADLINE: July 31, 2006 BY 5:00 PM**

OMDC has launched a call for applications for the **International Financing Forum**. This one-day co-finance event has been developed to provide 50 Canadian and international feature film producers with the opportunity to establish relationships with potential financing and co-production partners, sales agents, distributors and executive producers. A schedule of one-on-one meetings with producer delegates and industry guests, networking events and information sessions will create the inaugural IFF.

Please note that although registration is complimentary, program selection is a competitive process. The International Finance Forum does not pay for festival registration, travel or accommodation.

### TIMELINE

The deadline for applications is **July 31, 2006 by 5:00 pm**. Selected producers will be notified in early August.
