

Dear DGC Ontario Members,

**DGC Ontario Members Approve Ratification of the
2006 – 2009 DGC/CFTPA Standard Agreement**

90% of DGC Ontario members voted to approve the ratification of the 2006 – 2009 DGC/CFTPA Standard Agreement.

This agreement will be in effect for all productions that have their offices open on or shortly after March 5th, 2007.

The new Agreement has secured modest increases for our members including raising the producer's health contribution. It will also help to increase work opportunities for Guild members in Ontario by offering flexible rates for new types of production, including material that is meant for transmission to handheld devices and Internet transmission, with a commercial component.

Thank you for sending a message of stability and predictability in the film and television industry. This new flexible Agreement will allow producers to budget for new types of production as more of our traditional types of productions appear to be going elsewhere.

If you have any questions about the new Agreement, please contact the DGC Ontario office at 416.925.8200 and ask to speak with a Business Agent.

The new Agreement will be available by March 5th.

Signed,

Ron Haney, Chair of the DGC Negotiating Team
