

May 7, 2007

After 45 years in the workforce, Sharon Ruttan has announced her decision to retire. Her last day at DGC Ontario will be Friday, June 29, 2007.

For the past 14 years, Sharon has worked with DGC Ontario as Bookkeeper/Accountant. Under her watchful eye, the Guild has kept track of decades of complicated and complex financial records. Her attention to detail and her accuracy have been a great benefit to the organization.

During her time with us, Sharon has established fantastic working relationships with staff, executive, and members of the Guild. She has been a valuable resource not only to Ontario, but to other District Councils as well. We will greatly miss her reliability, tireless energy, honesty, friendly smile and sense of humour.

Please join us in thanking Sharon for 14 years of outstanding service to DGC Ontario. We sincerely wish her happiness, relaxation and lots of family time for many, many years to come.

The Directors Guild of Canada – Ontario, (DGC Ontario), is a provincial labour organization representing key creative and logistical personnel in the film and television industry.
